INFORMATIONAL BULLETIN

UPDATE TO DISTRICT ALLOCATION/DELIVERIES:

Ivanhoe Irrigation District has extra water at \$750 per AF. This is the actual District cost and includes any losses incurred to deliver it. Unfortunately, this water only just became available and will not offset any \$1700 water purchased. If you are interested in this water, you need to let the District know ASAP as it may not be available if you decide to wait.

As a reminder - Please turn back any water you do not plan to use this year so it can be reallocated to other growers in need.

2021 WATER ORDERS AND OFFICE OPERATIONS:

The District business office will be open Monday through Friday, **6:30 a.m. to 3:00 p.m.** Due to canal subsidence and flow restrictions, Friant is requiring all orders and changes to be called in 48 hours in advance. Water orders for Sunday need to be called in by 9 a.m. on Friday and orders for Monday and Tuesday must be made no later than 1:45 p.m. Friday.
