

INFORMATIONAL BULLETIN

September 22, 2023

RECHARGE WATER

After analyzing the District's current water supply and future irrigation demands, recharge water will not be made available after September 24, 2023. If additional water becomes available, you will be notified.

FRIANT CANAL OPERATIONS

The Friant Water Authority has scheduled to de-water the Friant Canal on November 10, 2023, to perform much needed maintenance work. The work includes replacing over 200 canal concrete panels that have been damaged this year. The Canal will be placed back in service on February 1, 2023.

END OF IRRIGATION DELIVERIES

The last day for taking District water deliveries will be Friday, November 10, 2023. Please plan accordingly.

2023 WATER ORDERS AND OFFICE OPERATIONS

The District office is open Monday through Friday, **7:00 a.m. to 3:30 p.m.**

In the past, all water orders, including changes, were required to be called in 48 hours prior to delivery or shut-off. For the 2023 season, to accommodate the District's growers and encourage surface water use, water orders only need a **24-hour advance notice**.

To accommodate the advance notice change, the **call-in time has been changed** as well and will be strictly adhered to, with no exceptions.

- Water orders for Tuesday through Saturday must be placed by **8:00 a.m.**, preceding next day delivery.
- Water orders for Sunday and Monday must be placed by **12:00 p.m.** on the preceding Friday.
