INFORMATIONAL BULLETIN
TO AGRICULTURAL OWNERS AND WATER USERS

RETURN WATER:

Any water that will not be used this season, (except for the water you intend to carry over into next year), should be returned to the District by **September 15**. Water that remains on your account after shutdown will be billed at the \$150 District rate. Shutdown will be dictated by the dewatering of the canal and of now is scheduled for 10/31. Growers can also transfer water to other District Members beyond the September 15 deadline as long as both parties agreement to the amount to be transferred.

The District is offering to carry over up to 20% of your allocation into next season. This number is subject to change based on any Bureau restrictions on carry-over. Any water carried over will be billed at next years rate plus any fees charged by the Bureau of Reclamation to carry over said water.

2020 WATER ORDERS AND OFFICE OPERATIONS:

The District business office will only be open Monday through Friday, **6:30 a.m. to 3:00 p.m.** Due to canal subsidence and flow restrictions, Friant is requiring all orders and changes to be called in 48 hours in advance. Water orders for Sunday need to be called in by 9 a.m. on Friday and orders for Monday and Tuesday must be made no later than 2:00 p.m. Friday.

EMERGENCY CONTACTS:

Mark Davis, Field Superintendent 804-4061
Tom Weddle, General Manager 906-1403
